Fundraising

Golf outing netted approximately \$3200

At the outing, we received donations to create a plaque honoring Gary Jefson at the Spooner Golf Course. A higher number of donations came in than anticipated, and a total of \$445 was given. We are looking for another way to honor Gary with the extra funds, and will present ideas at the next meeting.

Larry Main brought up potentially doing a fall Casino Night, since our spring event has been popular in the past years.

Tina will reevaluate the progressive dinner; we did not do one last year because of poor turnout, but may want to attempt this again.

Old Business

Carl Christner is working on the wiring, emergency shut off switch, and other necessary steps in order to get the tank working and up to code.

Ben Keup, Larry Main, and Ron Johnson will be given a budget of \$20k to find and purchase a rear mount mower. Paul Kipping made motion, Larry Main seconded – motion carried with one against (John Glewe)

John Glewe, Jim Barshack, and Emily Gall are working together to create and install a sign at the Maintenance Building within the next few weeks.

New Business

Any business or person looking for support with their event needs to be present at a general membership meeting in order to make the request for funds.

We will be ordering new Lakes and Pines branded clothing – this will be posted on the website, and some businesses may be selling items as well.
