President's Report - Larry Main

New trail maps arrived and were distributed

Vice President's Report – George Kuechle

George sent letters to all bars and restaurants near the Acorn Lodge in Boulder Junction regarding the club ride; he asked if any establishments would be willing to offer discounts to our members. He will report any progress at the next meeting.

Treasurer's Report - Paul Kipping

Paul is unable to create a more specific spreadsheet for the treasurer's report, in regards to the terminology used to describe deposits and debits. He will continue to answer specific questions during the membership meetings.

Trail Maintenance Report - John "Buck" Glewwe

Issue with missing posts and grooming by Greg Main's property. Metal posts were installed by landowner and some seem to have been removed. No ideas on who would have removed them, but Buck and other members accompanied Greg after the meeting to see where we could help.

Membership Report - Brian O'Toole

Heartwood Conference Center is now a member.

Oak Ridge, under new management, paid dues.

Fundraising / Social Events Report - Tina Childers

Lumberjack asked for \$500.00 from PR budget to help offset advertising and trophy costs for the upcoming Antique Snowmobile Show and Radar Run. Motion carried.

George and McKenzie Landing also requested \$180.00 for the Kid's Pro Ice race that will be held on Big McKenzie. This sponsorship fee will help George cover the cost of having the popular race held locally.

Buck brought up the possibility of offering community members a free meal ticket for the chicken barbeque if they purchase a bundle of ten tickets. Though they already receive a discount if purchased in bulk – Tina mentioned that most of the profit stems from the meal ticket purchases, but she will review.

Glen Anderson paid the club more than \$600.00 from the use of the raffle license for weekend meat raffles at Glider's. The raffle license and paddle wheel will continue to make their way to different establishments throughout the new year.

Larry Main's Calendar promotion was a huge success.

*Original minutes were lost in a terrible, fiery computer crash. Any changes or updates to these minutes from memory will be reflected in next month's newsletter.
