President's Report – Larry Main

Trail maps have a location on the maps for fundraising/social events to be listed at no cost to the club.

Susan with Burnett County has been emailing Larry and Buck any trail issues she noticed when she inspected the county trails. Presently our club has no issues with the county pertaining to the maintenance and signage of the snowmobile trails on county land.

Motion was made by Scott Fell to exclude business owners from the gift certificate that will be mailed to land owners from the Lake & Pines Sno-Trails club for appreciation of the use of their land during the snowmobile season. Second was made by Buck, motion carried.

Mike Anesi has contacted Greg Benson of The Print Shop to print the gift certificates for the landowner's at no cost to the club.

The Lakes & Pines Sno-Trails Club would like to THANK Greg Benson of The Print Shop for their support

Motion was carried for the Lakes & Pines Sno-Trails club to purchase the AWSC club raffle tickets.

*****Dec 16th – official opening date for snowmobile trails*****

Treasurer Report – Paul Kipping

Paul reported that the first payment for the new building has been made.

Ending balance as of 11/16/13 is approximately around \$14,000.00

Membership Report – Brian O’Toole

We have a new business member:

Northern Timber Hotel

Please welcome them to the club and thank them for their support

Fundraising/Events Report – Tina Childers

For the Casino Night that was held October 19th, the club did not make a profit. There were about a total of 70-100 people that showed up for the event. Tina is looking for new and any ideas on how we can make this a profitable event for the Lakes & Pines Sno-Trails club.

Grooming Report – Scott Fell

THANK YOU as Scott has a couple new groomers for the club.

There will be a training meeting for all new groomers and Scott would like to include experienced groomers to attend as well to assist and mentor; Date to be determined

The south end tractor is being worked on by Baribeau for possible warranty work on the transmission switch.

The north end drag needs repair

Also the garage door on the west side of the building doesn't work correctly. Scott will contact Garage Door Bob to look at it and possibly fix.

*****HELP NEEDED*** Help will be needed when it comes time to move the equipment into the new building when it's completed.**

Please watch the newsletter for further updates.

Trail Maintenance Report – John “Buck” Glewwe

There were over 100 stumps removed & cleared from the trails by Carl.

In addition, the trail work that was done on both north and south ends for tree cutting &/or trimming has been completed by Yellow River Construction.

If you find any issues with the trails please contact John “Buck” Glewwe:
