Grooming Report – Scott Fell

There was an issue with the groomer’s turnaround in
swamp areas.

There is a winch problem on a groomer and a new cable
is needed.

There is a need for a new set of chains for the
groomer’s. They old ones are very bad. It was
suggested to bring the old ones to the county to
rebuild. If they aren’t able to rebuild then a new set will
have to be purchased. 1st motion: Larry, 2nd - Tina
Motion carried.

Trail Maintenance Report – John “Buck” Glewwe

Lake markings may not be done/completed until after the 1st of January as the lakes are presently slushy.

It was suggested to look at trail to Northwoods and possibly making it wider

Please remember NO DRIVING ON TRAILS WITH VEHICLES – Snowmobiles/groomers only!!

Please **STAY ON THE MARKED TRAILS** and don't ride wild in farmer's fields as this is a privilege they allow to our club by having the trail on their land. Please be responsible and respectful.

ATV/UTV winter trails are marked with a blue marker – No blue marker NO ATV/UTV allowed on snowmobile trail.

If you find any issues with the trails please contact John “Buck” Glewwe:

New Business

February 15th, 2014: Heartwood Conference Center will be hosting Wisconsin dignitaries (Governor, Senators, etc) . On Friday, February 14th, they would like to have a groomer tractor on site. They will be snowmobiling from Heartwood Conference Center to Rosenthal's and it was suggested to have one of our groomer's at Rosenthal's instead of at Heartwood Conference Center.
