Trail Maintenance Report – John “Buck” Glewwe

All trails get full funding for signs.

There are a couple more lakes that need to be marked:

Sand Lake (North end): Buck

Lucerne Lake: Buck (getting with Stan and John)

Long Lake: Larry & George

The markers on Hanscombe Lake are very difficult to see during the day, night time is ok.

The cone markings (experimental) has been very good for visibility (South Sand Lake & Des Moines Lake)

Ed Salimsky (WI DNR) has stated to Sue Ingalls (Burnett Cty Forest & Parks Coordinator) that our trails are trimmed & groomed very well. **A HUGE THANK YOU for the outstanding work to everyone!!!**

There is a ride scheduled for 2/4/14 with Ed Salimsky, meet at the Webster Fairgrounds.

There is a Gary Jefson plaque at Spooner Golf Course for his commitment to the Lakes & Pines Sno-Trails and his efforts to get trail #8. The remaining money that was raised will be used to generate a commemorative sign to be placed at trail #8, motioned Buck, 2nd – George. Dave Cloutier will take charge of this to get completed.

If you find any issues with the trails please contact John “Buck” Glewwe:
