President's Report – Larry Main

The AWSC moved up their meeting for maps to August as Burnett County will be printing their maps earlier.

Business dues (\$250) are due by August 1st, 2014. There was a motion by George that if dues paid **BY** August 1st then the business will receive a \$25 discount, however, if dues is paid **AFTER** August 15th then there will be a \$25 late charge . **If the dues isn't paid by September 1st, 2014 then they won't be on the maps.**

We have purchased a new tractor for \$8700 with receiving \$800 credit for the tires. We switched out the old tractor tires onto to the new tractor.

The drag transfer of components hasn't been completed as there aren't the same number of hydraulics.

Grooming Report – Scott Fell

South end tractor needs a new cable for the winch. We will be going with the new nylon (safer and cost effective) cable. Also the winch will need to be sent in for repair

For mowing equipment, still need one mower to be repaired. An estimate will be required before any work is started.

Buck will check into the shaft repair and get back with any suggestion or estimate

There will be training for the fluids on the new tractor – date to be announced later

Trail Maintenance Report – John “Buck” Glewwe

It was reported that a groomer might have chipped the corner of the building (Copper business) at A & H. Buck made a motion to purchase a corner metal piece to protect the corner from any future occurrences. George – 2nd, motion carried.

Buck brought a different suggestion for lake markings. Orange pole (plastic/floatable) that are \$8/each, however, you receive pricing discount on bulk purchases. Buck will check into the price breaks for bulk purchases.
