**Vice President’s Report – George Kuechle**

With the cancellation of the Chicken BBQ it cost the club approximately \$500.00

We need to be more conscious of our spending as due to the poor snow conditions this year and very little grooming that is being done. Therefore, we won’t be receiving our usual seasonal county re-imburements. As well as any additional monies we would have received from the Chicken BBQ.

John “Buck” Glewwe attended the monthly county meeting:

- There is funding available for the snowmobile club as Buck is trying to obtain the necessary funding for a bridge on trail 140 by Mallard Lake.
- Next issue of AWSC will explain the new snowmobile tab/trail pass pricing. If your tabs/trail pass are due for 2015, wait until mid-July to renew.

**Treasurer – Paul Kipping**

Our electric bill was very high last month, which led to a discussion of heating options for the maintenance building (propane, gas heater, etc.). Tina made a suggestion that instead of always discussing the issue, we need to do something to fix it. Do we have a club member that is in the heating business that we can discuss heating options for our maintenance building?

George made a motion to approve the financial report, 2<sup>nd</sup> by Tina, motion carried.

## Fundraising/Social Events – Tina Childers

*Progressive Ride* – will not be rescheduled due to the poor snow conditions. Those who have paid will be re-imbursed via mail.

There was a suggestion of looking into moving the annual Golf Tournament to August. Tina is looking into this and report back if this is a possibility.

Mike Anesi suggested for next year for the club to combine the Vintage Sled Show with the annual Chicken BBQ at the maintenance building.

There will be a direct mailing to the property owners and volunteers for the annual Appreciation Breakfast (4/18/15) at McKenzie Landing. 8am – breakfast; 9am – meeting

### *Congratulations to the winners of the Vintage Sled Show:*

## Trail Maintenance Report – John “Buck” Glewwe

Keith Martini has cleaned up trail 41 (South of Sewall Rd) with the arm saw as we are unable to get to this area in the spring/summer/fall time due to it being swampy.

Gordon Johnson needs an additional 20 lake markers for next season (cones, lathe, whatever is decided on)

If you find any issues with the trails please contact John “Buck” Glewwe:
