President's Report – Larry Main

Larry still needs the time sheets turned in for any work that was done or completed on the trails.

The club made a bit over \$350 from the beer/hot dog stand at the Main Store during the St. Patrick's Day Parade, March 14th in Webb Lake.

Trail Maintenance Report – John "Buck" Glewwe

At the Burnett County meeting it was noted that our club is still trying to obtain funding for a bridge on trail 140 by Mallard Lake.

Trail 22 needs to be off water in order for our club to obtain funding from the county.

Monday (March 23rd) Buck has a meeting with Webb Lake Township regarding the Frog Lake trail. They would like our assistance to establish a new trail along Frog Lake Rd. in lieu of the current trail on the road.

There are a few big wash outs on trail 140 (by Mallard Lake) that needs to be addressed and resolved.

All gates must have a full chain wrapped around gate/post with a key lock. Securing the gates with a bolt and nut is unacceptable to the club and the owners of the property.

If you find any issues with the trails please contact John "Buck" Glewwe:

Other information:

The Lakes & Pines Sno-Trails club won a \$25 gift certificate for Oak Ridge from the St. Patrick's Day Parade in Webb Lake. We then drew from the attendees of the March meeting and Jim Breister won the gift certificate. CONGRATULATIONS JIM!!

APPRECIATION BREAKFAST 8AM @MCKENZIE LANDING 4/18/15

This is our way of thanking the land owners, members and volunteers for the use of their land, time and efforts put in to make the trails safe and fun for everyone that rides them.

Future Agenda:

There was a suggestion to get the clubs name out there and possibly get with local realtors to see about including information on local ATV/Snowmobile club opportunities in the area.

REMINDER:

If you have a renewal for a snowmobile(s) due for this year, we suggest you wait until after July 4th to renew as then you will have the option for a 2 year sticker versus a 1 year sticker if you renew before July 4th.
