Trail Maintenance – John "Buck" Glewwe

Buck is checking with Keith regarding the mowing that is done on the north end on trail 41 as we will be re-imbursed by the county 100%.

Buck is checking on the last time maintenance was done on the 125 & 140 tractor. He set up a scheduled preventive maintenance as it hadn't been serviced since 2013.

There is extensive wash out on trail 140 (goes to trail 41) and he received a bid from Keith Martini for \$1500.00. A motion was made by Buck to accept Keith's bid for \$1500.00 to repair the damage done from the extensive washout, which will be done at a later date but before the season starts; 2nd by George Kuechle, motion carried.

The re-route of trail 140 on Gaslyn, will result in trees needing to be taken down and the stumps removed. Buck will get Carl out to there to remove the stumps on the new trail once the trees are down.

The bent shaft (the older one) for the mower, will not be repaired, we are just leaving as is for now.

Buck & Greg will be working on posts and signs that need to be replaced or placed. Please let them know if you know of any that need placed or fixed.
