Treasurer – Paul Kipping

Mark Spease made motion to approve Treasurer's report – Buck 2nd, motion carried

Grooming – Scott Fell/Mark Spease

They were able to get out a few times to groom the trails (before the warm up), as the snow was minimal but riders were packing it. Presently the trails are in ok shape, but with the help of the latest snowfall, they are improving.

The Jackson sheriff called to have us close off the swamp areas due to the poor conditions of trails over water as sleds were going into the swamp.

Mark is looking for another groomer for the "North" end of the trails, please contact Mark Spease if you are interested.

Mark & Buck will fix the tool box on one of the tractors.

Trail Maintenance – John "Buck" Glewwe

We are in need of a bigger chain saw – due to the recent downed trees that were across the trail or were in harms way of snowmobile riders.

Buck is recommending to stay off the lakes as he doesn't deem them completely safe

Not all the lakes will be marked this year – due to safety reasons

There is a MISSING POLE SAW (Stihl) – please return the equipment back to the maintenance building. **REMEMBER – there is a sign out sheet for ALL equipment that is needed for club or personal use.**

Social Events/Fundraising: Dawn Peterson

The Kids Pro Ice racing was postponed until the last weekend in January due to the weather and lake condition

We will continue to pay for the plagues for the Vintage Sled Show held at Lumberjack, February 20th as our donation to this event.

Next year it was suggested to get the Vintage Sled Show and the Chicken BBQ together to bring in a bigger crowd.
