President – Larry Main

-Larry brought in a groomer donation can that Paul opened and it had over \$60 in and they are about the size of a soup can. (Not sure where it was located) Larry is looking for larger cans to put out this year. It was voted on to use this money toward a nice dinner for all of the groomers. Please watch for the cans at your local business sponsors and give a little thanks to the guys that keep our trails in great riding condition.

Vice President – George Kuechle

- Julie MacDonald has been elected as our Fundraiser chairman. Yea!!!!
- Paul has purchased a new computer but is looking for the software
- 100 # board at the Lumberjack – Ben Keup. The club donated \$250

Trail Maintenance – John “Buck” Glewwe.

- Trail 22 near Pine Lake Rd & Wildhagen Rd has been rerouted along County Rd A to Wildhagen Rd.
- Trail 7 from North Lost Lake Rd heading north toward Hwy 77 has been rerouted around the swamp. Be CAUTIOUS in that area.

Grooming – Mark Spease

- We now have 4 new groomers! Gary Jaeger, Rich Danielson, Craig Campbell and Dan Wohlberg. Thanks guys!
- Thank you to Ed Christensen who helped Mark clear many problem branches in a growth of pines on 10/27/18.
- Thank you also to the volunteers that replied to an email and helped Buck and Mark clear at least 11 very large trees from our trail system. They were Jim Breister & Craig Campbell. We remove a large oak tree that had been across the trail most of the winter last year and a tree we have wanted out of the way for grooming for years. This was done on Matt & Jennifer Christner’s property. Then we headed over to Trail 41 N from the very SW corner of our grooming area.

This area had been logged a few years ago and several large pines were left. There must have been some strong winds there this year as we found one after another large pines across the trail. It ended up being more than we bargained for. Thanks again Jim and Craig.

-Mowing of the trails is very important and we have that completed now. The mower will be coming off and drags attached and chains put on the tractors in the next few weeks. Buck will make sure this gets done and will do much of the work himself. I want to thank Buck for all of the work he does on behalf of the club. Nobody puts more time and physical work in than he does. It is much appreciated!

-Wow! What a great turn out at our last Club meeting. Thanks everyone!

-The winner of our monthly drawing was Jeremy Baars. Congrats
